4. CLUB CONSULTATION PLANS 2017

4.1

It was agreed at the last league AGM that representatives of the LMC would visit clubs during 2017 to ask for views about the current structure of the league and its playing regulations and also about the viability to create a separate Academy Division to try and develop young or additional senior players for clubs and therefore the league. This is against a back ground of:

- ✓ 45 unfulfilled fixtures last season
- ✓ 17 games played in July with less than 11 players on a team
- ✓ 34 clubs leaving the league over the past 20 years
- ✓ Over the same time lapse - 132 teams down to only 96
- ✓ Persistent themes or concerns about the perception of so called 'big clubs' becoming larger and so called 'little 'clubs' becoming smaller

DECISION: The 2017 League President, Stephanie Roberts would be 'the lead' on this project and would communicate the arrangements for meetings with all clubs in due course. The outcome of these meetings would be collated in a final report to the LMC as a recommendation for any appropriate change and a process would be created through the 2017 League AGM in November 2017.

5. MALLEEN T20 – 2017

5.1

The League Secretary outlined that playing this competition on Tuesday evenings found little or no support. An offer was made to clubs in the Championship and Div 1 to consider a new format over two Sundays (end of June / beginning of July).

The uptake and enthusiasm for this change had proved positive with currently 14 clubs agreeing to participate.

DECISION: New updated rules would have to be create for the competition. The draw for fixtures would be made at the February 17 LMC meeting, creating 5 locations for teams to be based at those locations and play two games over the first Sunday, to establish the top four teams, who would play in a finals day

on Sunday 2nd July. The venue for this would be agreed in February also. The LMC were keen to establish a 15th club to participate and balance the competition numerically.

A further decision to establish the date of the Mapperley Sports T20 final with the South Notts League would be made in February, along with a final decision on how the BDCL representative for this annual game would be decided for 2017 and future years.

6. FIXTURES 2017
